Section 11.2

Birthing Center Certification Process

Issue Date: May 23, 1988

Authority: [32 CFR 199.6\(b\)\(4\)\(xi\)](#)

Revision:

1.0 ISSUE

What is the process to certify a birthing center?

2.0 POLICY

2.1 Each contractor is the certifying authority and has participation agreement signatory authority for Defense Health Agency (DHA) for birthing center applicants located within their geographical jurisdiction.

2.2 The contractor is to notify DHA in writing of the appointment and removal of each person designated by the contractor to sign a birthing center participation agreement. The appointment or removal notification must include the individual's full name as signed, name, title, position, signature sample (for notice of appointment only) and the effective date of the action. No more than two individuals will be so authorized by the contractor concurrently, and the effective date of appointment will be no earlier than the date of the written notice of appointment to DHA.

2.3 DHA is direct recipient of each birthing center report of a beneficiary death or emergency transfer to an acute care facility and is responsible for taking appropriate action to determine whether a reporting birthing center should remain an authorized institutional provider.

2.4 Each contractor will provide timely written notice of the effective date of the revocation of a birthing center's authorized provider status to DHA, to each beneficiary actually admitted to the birthing center program on the date the revocation notice was issued, and to the Military Treatment Facility (MTF)/Enhanced Multi-Service Market (eMSM) Commanding Officer when the birthing center is within a Prime service area.

3.0 POLICY CONSIDERATIONS

3.1 Application. A complete application for certification as an authorized birthing center consists of an application signed and dated by the Chief Executive Officer (CEO) of the center which provides:

3.1.1 The complete name and street address of the center;

3.1.2 The mailing address for correspondence;
