Authority: [32 CFR 199.4\(a\)\(11\)](#) and [32 CFR 199.5\(a\)\(4\)](#)

I. POLICY

Unless otherwise specifically excepted, the adjudication of the following types of care is subject to the following authorization requirements:

A. Adjunctive dental care must be preauthorized by the TRICARE/CHAMPUS dental contractor or the managed care contractor as appropriate. See [Chapter 8, Section 1.3](#).

B. Program for Persons with Disabilities (formerly known as Program for the Handicapped) benefit must be authorized by the appropriate contractor. See [Chapter 11, Section 9.3](#).

C. Effective October 1, 1991, preadmission and continued stay authorization is required before nonemergency inpatient mental health services may be cost-shared (includes Residential Treatment Center care and alcoholism detoxification and rehabilitation). Effective September 29, 1993, preadmission and continued stay authorization is also required for all care in a partial hospitalization program. See [Chapter 1, Section 12.1D](#), [Section 12.1E](#), [Section 12.1F](#), and [Section 12.1G](#).

D. Effective November 18, 1991, psychoanalysis must be preauthorized. See [Chapter 1, Section 12.5](#).

E. The Director, TMA, may require preauthorization of admission to inpatient facilities.

F. The procedures identified in [OPM Part Three, Chapter 3, Addendum D](#), require preauthorization under the managed care support contracts.

II. POLICY CONSIDERATIONS

Provider payments are reduced for the failure to comply with the preauthorization requirements for certain types of care. See [Chapter 13, Section 24.1](#).
