

TRICARE - PROGRAM INTEGRITY

Issue Date: May 15, 1996

Authority: [32 CFR 199.9](#)

I. POLICY

Program integrity activities by the Managed Care Support (MCS) contractor in TRICARE generally follow the provisions of the [OPM Part Two, Chapter 7](#).

If a Lead Agent or MTF Commander is made aware of a possible fraudulent or abusive practice by a provider in the civilian network, or by a beneficiary, whether enrolled or not enrolled, the case should be referred to the MCS contractor for development of the case. A copy of the referral should be sent to TMA Program Integrity Branch. If the case potentially involves contractor fraud or abuse, the case should be referred directly to the TMA Program Integrity Branch.
