

PULMONARY SERVICES

Issue Date: April 19, 1983

Authority: [32 CFR 199.4\(b\)\(2\)\(xviii\)](#)

I. PROCEDURE CODE RANGE

94010 - 94799

II. DESCRIPTION

Services provided for the diagnosis or treatment of conditions involving the lungs.

III. POLICY

A. Pulmonary services are covered.

B. Pulmonary services provided as part of a program of cardiopulmonary or pulmonary rehabilitation are covered only for pre- and post-lung and heart-lung transplant patients when preauthorized by the appropriate preauthorizing authority as outlined in the Policy on heart-lung and lung transplantation.

IV. EXCLUSION

Cardiopulmonary or pulmonary rehabilitation for other than pre- and post-lung and heart-lung transplant patients is considered unproven.
