TRICARE
MANAGEMENT ACTIVITY

MB&RS

June 25, 1999

FOREWORD

This Manual supercedes the December 1998, edition upon implementation by the Managed Care Contractors at the direction of the Contracting Officer. It provides guidance, policy interpretation and decisions implementing TRICARE and the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS).

The policies and procedures described, herein, apply to the TRICARE/CHAMPUS Program and each TRICARE/CHAMPUS contractor administrating and processing medical claims.

Each TRICARE/CHAMPUS contractor shall implement and be guided by this Manual if so directed by the Contracting Officer. TRICARE/CHAMPUS contractors that have contracts referencing other instructions will continue to use those instructions referenced in their contracts.

Unless otherwise directed, TRICARE/CHAMPUS contractors processing claims for services received in foreign countries shall use the Manual for guidance.

Please note the attached notice that indicates the changes, deletions, and additions to this Manual.

Comments regarding the Manual should be sent to:

NOTICE

CHANGES MADE TO THE POLICY MANUAL:

Prescriptive language and UM parameters have been removed. Outdated policy guidelines that have become the standard of care have been deleted. Deletion of these sections does not mean that the treatment described in the sections is no longer a TRICARE benefit. Medically necessary and appropriate treatment continues to be covered by TRICARE. Several sections have been consolidated into other sections. Several sections have been renumbered. Several sections have been renamed. Several sections have been moved to different Chapters. Chapter 8 has been renamed Program for Persons with Disabilities (PFPWD). Chapter 12 has been renamed TRICARE Overseas Program (TOP).
