

## PREAUTHORIZATIONS

---

### 1.0. GENERAL

Preauthorization review shall be performed for all care and procedures listed below. The offeror may propose additional authorization reviews. (See [Chapter 7, Section 1](#) for additional guidance.) The admissions/procedures are subject to change over time based upon the Government's assessment of the efficacy of the review. The changes will include adding and/or removing admissions/procedures.

### 2.0. INPATIENT MENTAL HEALTH

Inpatient mental health requires preauthorization. In the event that inpatient mental health services were not preauthorized, the contractor shall obtain the necessary information and complete a retrospective review. Penalties for failing to obtain preauthorization apply. NAS requirements also apply to inpatient mental health admissions.
