

CLINICAL PREVENTIVE SERVICES (PRIME/STANDARD)

ISSUE DATE: September 20, 1996

AUTHORITY: [32 CFR 199.17](#)

I. POLICY

A. See Chapter 7, [Sections 2.1](#) and [2.2](#), for listing of TRICARE Overseas Program (TOP) (Prime/Standard) clinical preventative services.

B. Generally, for overseas enrolled beneficiaries there is no preauthorization or referral required for the TOP Prime clinical preventative services. However, active duty **service member (ADSM)** preauthorization or referral requirements for clinical preventive services may differ in each overseas region. Regional specific requirements may be obtained by contacting the appropriate overseas **TRICARE Area Office (TAO)** Director.

C. There shall be no co-payments for **care** associated with the individually TRICARE/TOP reimbursable clinical preventive services. Verification of codes are not required for payment of enhanced services under the TOP. The **overseas claims processing** contractor does not have to establish additional edits to identify claims within the age, sex, race or clinical history **parameters** included within the table outlined in Chapter 7, [Sections 2.1](#) and [2.2](#).
