

CLINICAL PREVENTIVE SERVICES (PRIME/STANDARD)

ISSUE DATE: September 20, 1996

AUTHORITY: [32 CFR 199.17](#)

I. POLICY

A. See Chapter 7, [Sections 2.1](#) and [2.2](#), for **listing of** TRICARE Overseas Program (TOP) (Prime/Standard) clinical preventative services.

B. Generally, for overseas enrolled beneficiaries there is no preauthorization or referral required for the TOP Prime clinical preventative services. However, Active Duty Service Member (ADSM) preauthorization or referral requirements for clinical preventive services may differ in each overseas region. Regional specific requirements may be obtained by contacting the appropriate overseas TRICARE Area Office (TAO) Director.

C. **There shall be no co-payments for care associated with the individually TRICARE/ TOP reimbursable clinical preventive services.** Verification of codes **are** not required for payment of enhanced services under the TOP. The overseas claims processing contractor does not have to establish additional edits to identify claims within the age, sex, race or clinical history parameters included within the table outlined in Chapter 7, [Sections 2.1](#) and [2.2](#).
