

PROVIDER REIMBURSEMENT METHODS

(a) Hospitals.....	1
(1) CHAMPUS Diagnosis Related Group (DRG)-based payment system.	1
(i) General--	1
(A) DRGs used.....	1
(B) Assignment of discharges to DRGs.	1
(C) Basis of payment--	1
(1) Hospital billing.	1
(2) Payment on a per discharge basis.	1
(3) Claims priced as of date of admission.....	1
(4) Payment in full.	1
(5) Inpatient operating costs.	2
(6) Discharges and transfers.	2
(i) Discharges.....	2
(ii) Transfers.	2
(iii) Payment in full to the discharging hospital.....	2
(iv) Payment to a hospital transferring an inpatient to another hospital.	3
(v) Additional payments to transferring hospitals.....	3
(D) DRG system updates.	3
(ii) Applicability of the DRG system.	3
(A) Areas affected.	3
(B) Services subject to the DRG-based payment system.....	3
(C) Services exempt from the DRG-based payment system.....	3
(D) Hospitals subject to the CHAMPUS DRG-based payment system.....	4
(1) Psychiatric hospitals.....	4
(2) Rehabilitation hospitals.	4
(3) Psychiatric and rehabilitation units (distinct parts).....	4
(4) Long-term hospitals.	5
(5) Hospitals within hospitals.....	5
(6) Sole community hospitals.	5
(7) Christian Science sanitoriums.....	5
(8) Cancer hospitals.	5
(9) Hospitals outside the 50 states, the District of Columbia, and Puerto Rico.....	5
(10) CAHs.	5
(E) Hospitals which do not participate in Medicare.	5
(F) Substance Use Disorder Rehabilitation facilities.	6
(iii) Determination of payment amounts.	6
(A) Calculation of DRG weights.	6
(1) Grouping of charges.....	6
(2) Remove DRGs 469 and 470.	6
(3) Indirect medical education standardization.....	6
(4) Wage level standardization.....	6
(5) Elimination of statistical outliers.	6
(6) Calculation of DRG average charge.....	6

TMA Version - April 2005

- (7) Calculation of national average charge per discharge. 6
- (8) DRG relative weights. 6
- (B) Empty and low-volume DRGs. 6
- (C) Updating DRG weights. 7
- (D) Calculation of the adjusted standardized amounts. 7
 - (1) Differentiate large urban and other area charges. 7
 - (2) Indirect medical education standardization. 7
 - (3) Wage level standardization. 7
 - (4) Apply the cost to charge ratio. 7
 - (5) Preliminary base year standardized amount. 7
 - (6) Update for inflation. 7
 - (8) Labor and nonlabor portions of the adjusted standardized amounts. 8
- (E) Adjustments to the DRG-based payments amounts. 8
 - (1) Outliers. 8
 - (i) Length-of-stay outliers. 8
 - (A) Short-stay outliers. 8
 - (B) Long-stay outliers. 8
 - (ii) Cost outliers. 8
 - (A) Cost outliers except those in children’s hospitals or for neonatal services. 8
 - (B) Cost outliers in children’s hospitals for neonatal services. 9
 - (C) Cost outliers for burn cases. 9
 - (2) Wage adjustment. 9
 - (3) Indirect medical education adjustment. 9
 - (4) Children’s hospital differential. 9
 - (i) Qualifying children’s hospitals. 10
 - (ii) Calculation of differential. 10
 - (iii) Transition rule. 10
 - (iv) Hold harmless provision. 10
 - (v) No update for inflation. 10
 - (vi) Administrative corrections. 10
- (F) Updating the adjusted standardized amounts. 10
- (G) Annual cost pass-throughs. 11
 - (1) Capital costs. 11
 - (i) Costs included as capital costs. 11
 - (ii) Services, facilities, or supplies provided by supplying organizations. 11
 - (2) Direct medical education costs. 11
 - (3) Information necessary for payment of capital and direct medical education costs. 11
- (2) CHAMPUS mental health per diem payment system. 12
 - (i) Applicability of the mental health per diem payment system. 13
 - (A) Hospitals and units covered. 13
 - (B) Services covered. 13

- (ii) Hospital-specific per diems for higher volume hospitals and units. 13
 - (A) 13
 - (1) Per diem amount. 13
 - (B) Cap-- 13
 - (C) Review of per diem. 14
- (iii) Regional per diems for lower volume hospitals and units. 14
 - (A) Per diem amounts. 14
 - (B) Review of per diem amount. 14
 - (C) Adjustments to regional per diems. 14
 - (1) Area wage index. 14
 - (2) Indirect medical education. 14
 - (D) Annual cost pass-through for direct medical education. 14
- (iv) Base period and update factors. 14
 - (A) Base period. 14
 - (B) Alternative hospital-specific data base. 15
 - (C) Update factors-- 15
- (v) Higher volume hospitals. 15
 - (A) In general. 15
 - (B) Hospitals that subsequently become higher volume hospitals. 15
 - (C) Special retrospective payment provision for new hospitals. 16
 - (D) Review of classification. 16
- (vi) Payment for hospital based professional services. 16
- (vii) Leave days. 16
- (viii) Exemptions from the CHAMPUS mental health per diem payment system. 16
 - (A) Non-specialty providers. 16
 - (B) DRG 424. 17
 - (C) Non-mental health services. 17
 - (D) Sole community hospitals. 17
 - (E) Hospitals outside the U.S. 17
- (ix) Per diem payment for psychiatric and substance use disorder rehabilitation partial hospitalization services-- 17
 - (A) In general. 17
 - (B) Services which may be billed separately. 17
 - (1) Psychotherapy sessions not included. 17
 - (2) Non-mental health related medical services. 17
 - (C) Per diem rate. 18
 - (D) Other requirements. 18
- (3) Reimbursement for inpatient services provided by a CAH. 18
- (4) Billed charges and set rates. 18
- (5) CHAMPUS discount rates. 18
- (6) Hospital outpatient services. 18
 - (i) Outpatient Services Not Subject to Hospital Outpatient Prospective Payment System (OPPS). 18
 - (A) Laboratory services. 19
 - (B) Rehabilitation therapy services. 19
 - (C) Venipuncture. 19
 - (D) Radiology services. 19
 - (E) Diagnostic services. 19
 - (F) Ambulance services. 19
 - (G) Durable medical equipment (DME) and supplies. 19

TMA Version - April 2005

TMA Version - April 2005

(H)	Oxygen and related supplies.	19
(I)	Drugs administered other than oral method.	19
(J)	Professional provider services.	20
(K)	Facility charges.	20
(L)	Ambulatory surgery services.	20
(ii)	Outpatient Services Subject to OPPS.	20
(iii)	Outpatient Services Subject to CAH Reasonable Cost Method.	21
(iv)	CAH Ambulance Services.	21
(b)	Skilled nursing facilities (SNFs).	21
(1)	Use of Medicare prospective payment system and rates.	21
(2)	Payment in full.	21
(3)	Education costs.	21
(4)	Resident assessment data.	22
(c)	Reimbursement for Other Than Hospitals and SNFs.	22
(d)	Payment of institutional facility costs for ambulatory surgery.	22
(1)	In general.	22
(2)	Payment in full.	22
(3)	Calculation of standard payment rates.	22
(i)	Step 1: Calculate a median standardized cost for each procedure.	22
(ii)	Step 2: Grouping procedures.	22
(iii)	Step 3: Adjustments to groups.	22
(iv)	Step 4: Standard payment amount per group.	23
(v)	Step 5: Actual payments.	23
(4)	Multiple procedures.	23
(5)	Annual updates.	23
(6)	Recalculation of rates.	23
(e)	Reimbursement of Birthing Centers.	23
(f)	Reimbursement of Residential Treatment Centers.	24
(g)	Reimbursement of hospice programs.	26
(1)	National hospice rates.	26
(i)	Routine home care.	26
(ii)	Continuous home care.	26
(iii)	Inpatient respite care.	26
(iv)	General inpatient care.	27
(v)	Date of discharge.	27
(2)	Use of Medicare rates.	27
(3)	Physician reimbursement.	27
(i)	Physicians employed by, or contracted with, the hospice.	27
(ii)	Independent attending physician.	27
(iii)	Voluntary physician services.	28
(4)	Unrelated medical treatment.	28
(5)	Cap amount.	28
(6)	Inpatient limitation.	28
(7)	Hospice reporting responsibilities.	29

(8)	Reconsideration of cap amount and inpatient limit.	30
(9)	Beneficiary cost-sharing.....	30
(h)	Reimbursement of Home Health Agencies (HHAs).	30
(1)	Split percentage payments.....	31
(2)	Low-utilization payment.....	31
(3)	Partial episode payment (PEP).....	31
(4)	Significant change in condition (SCIC).	31
(5)	Outlier payment.	31
(6)	Services paid outside the HHA prospective payment system.....	32
(i)	Durable medical equipment (DME).....	32
(ii)	Osteoporosis drugs.....	32
(7)	Accelerated payments.	32
(i)	Approval of payment.....	32
(ii)	Amount of payment.....	32
(iii)	Recovery of payment.....	32
(8)	Assessment data.	32
(9)	Administrative review.....	32
(i)	Changes in Federal Law affecting Medicare.....	33
(j)	Reimbursement of individual health care professionals and other non-institutional, non-professional providers.....	33
(1)	Allowable charge method--	33
(i)	Introduction--	33
(A)	In general.	33
(B)	CHAMPUS Maximum Allowable Charge.	33
(C)	Limits on balance billing by nonparticipating providers.	33
(D)	Special rule for TRICARE Prime Enrollees.....	33
(E)	Special rule for certain TRICARE Standard Beneficiaries.....	33
(ii)	Prevailing charge level.....	34
(iii)	Appropriate charge level.....	34
(A)	Step 1: Procedures classified.	34
(1)	Overpriced procedures.....	34
(2)	Other procedures.....	34
(3)	Underpriced procedures.	34
(B)	Step 2: Calculating appropriate charge levels.....	34
(C)	Special rule for cases in which the CHAMPUS appropriate charge was prematurely reduced.....	35
(D)	Special rule for cases in which the national CMAC is less than the Medicare rate.....	35
(iv)	Calculating CHAMPUS Maximum Allowable Charge levels for localities... 35	
(A)	In general.	35
(B)	Special locality-based phase-in provision.	35
(1)	In general.	35
(2)	Exception.	35

TMA Version - April 2005

(C)	Special locality-based waivers of reductions to assure adequate access to care.....	35
(1)	Waiver based on balanced billing rates.....	36
(2)	Exception.....	36
(3)	Waiver based on other evidence that adequate access to care would be impaired.....	36
(D)	Special locality-based exception to applicable CMACs to assure adequate beneficiary access to care.....	36
(1)	Procedure.....	36
(2)	Establishing the higher payment rate(s).....	37
(3)	Application of higher payment rates.....	37
(E)	Special locality-based exception to applicable CMACs to ensure an adequate TRICARE Prime preferred network.....	37
(v)	Special rules for 1991.....	38
(vi)	Special transition rule for 1992.....	39
(vii)	Adjustments and procedural rules.....	39
(viii)	Clinical laboratory services.....	39
(2)	Bonus payments in medically underserved areas.....	40
(3)	All-inclusive rate.....	40
(4)	Alternative method.....	40
(k)	Reimbursement of Durable Medical Equipment, Prosthetics, Orthotics and Supplies (DMEPOS).....	41
(l)	Reimbursement Under the Military-Civilian Health Services Partnership Program.....	41
(1)	Reimbursement of institutional health care providers.....	41
(2)	Reimbursement of individual health-care professionals and other non-institutional health care providers.....	41
(m)	Accommodation of Discounts Under Provider Reimbursement Methods.....	41
(1)	General rule.....	41
(2)	Special applications.....	41
(3)	Procedures.....	42
(n)	Outside the United States.....	42
(o)	Implementing Instructions.....	42
