

POINT OF CONTACT (POC) PROGRAM

ISSUE DATE: October 15, 1999

AUTHORITY: [32 CFR 199.1\(b\)\(1\)](#)

I. DESCRIPTION

The TOP Point of Contact (POC) Program is a liaison service designed to provide beneficiaries and host nation providers assistance with filing TRICARE/TOP/TRICARE Dental Program (TDP) claims to ensure timely overseas claims filing and payment and continued beneficiary access to quality host nation health care. The POC program was established in 1991 and continues to be successful because of the ongoing oversight and support by various Uniformed Services Branches of designated POCs. The POC Program was expanded in 1999 to include TDP overseas claims.

II. GENERAL

A. Designated POCs are established by the Uniformed Services, the Defense Intelligence Agency (DIA) and the Defense Security Assistance Agency (DSAA), with final approval by TRICARE Management Activity (TMA).

B. A written request from the Commanding Officer of a foreign military base or location, or Defense Attache Offices (DAOs), and Security Assistant Organizations (SAOs) must be submitted to the **appropriate TMA Contracting Officer Representative (COR)**. The request should include, name of the primary POC, name of the alternate POC (if any), 24 hour commercial fax number, commercial phone number, e-mail address, and a valid and secure mailing address (for pouch mail). This same process and information should be followed/submitted when subsequent changes are made.

C. POC designation is usually limited to one primary POC and one or two alternate POCs. Additional alternate POCs may be designated upon justification from the Commanding Officer. This justification should be included with the request.

D. Upon receipt of the written request, the **appropriate TMA COR** will review the nomination for approval. After the nomination has been approved, the TMA Chief, Claims Operations Office or designee will notify the Managed Care Support Contractor (MCSC) (**hereinafter referred to as the "claims processing contractor"**) of the official POC designation. A copy of the overseas MCSC, **South Region (hereinafter referred to as the "overseas claims processing contractor"**) notification will be sent electronically or faxed to the **TRICARE Area Office (TAO)** Directors, the POC's Command, and the TDP.

E. POC designation by **the appropriate TMA COR** is “purple suited” and not Uniformed Service specific, nor is designation limited to a specific category of TOP beneficiary (i.e., retiree, ADSM, etc.) or for a specific category of TRICARE benefit (i.e., medical, drug, maternity, etc.).

F. **Updates to POC’s** 24 hour commercial fax number, commercial phone number, e-mail address, and a valid and secure mailing/pouch mail address, shall be e-mailed directly to the overseas **claims processing contractor** responsible for processing overseas claims.

G. POC’s must notify the **appropriate TMA COR** in writing when departing, transferring or being reassigned to a new location. The written notification should state when the designated POC will be leaving, should indicate if a new POC will or will not be designated. The notification should also list remaining POC’s and should be signed by the POC Commanding Officer.
