Dear (Insert Provider Name):

The Department of Defense, through TRICARE Management Activity, is responsible for appropriate cost containment for services provided to TRICARE beneficiaries. One particular area of concern has been the costs billed for prescription drugs. In an effort to establish a Uniformed Military Services drug benefit and claim processing requirement for all TRICARE eligibles, the Executive Director, TMA, has determined that pharmacy claims submitted for services outside the United States must be reimbursed in accordance with the reimbursement formulas for TRICARE United States (U.S.) claims as established under the Code of Federal Regulations.

This letter notifies you that sixty (60) days from the date on this letter, overseas pharmacy claims must comply with TRICARE requirements for a National Drug Coding (NDC). Claims must include correct and complete NDC coding, whether submitted electronically or using standard claim forms. Drug claims received for processing for dates of service on or after **(insert date sixty (60) days from the date on this letter)** that do not have applicable NDC coding will be returned.

Additionally, effective sixty (60) days from date on this letter, **(insert date)**, overseas pharmacy claims submitted will be processed in accordance with the reimbursement formulas for TRICARE CONUS claims which **are from a schedule of allowable charges based on the Average Wholesale Price (AWP)** rates plus \$3.00 administration fee. Should you have any questions regarding this requirement, please write me at **(insert contractor mailing address)**.

Sincerely,

(Insert Managed Care Contractor Name)

TRICARE MANAGEMENT ACTIVITY

FIGURE 12-12.2-11 TOP AND TDP POINT OF CONTACT PROGRAM BOOKLET (CONTINUED)**TOP AND TDP POINT OF CONTACT PROGRAM****INTRODUCTION**

The Point of Contract (POC) Program for TRICARE Overseas Program (TOP) healthcare claims has been in operation since 1991. The POC Program is designed to provide beneficiaries and host nation providers assistance with filing TRICARE claims for care received in foreign countries. This liaison service is designed to ensure timely overseas claim filing and payment. With the expansion of the POC program to include TRICARE Dental Plan (TDP) claims, beginning May 1999, the Department continues to provide another important tool to ensure beneficiary access to quality host nation healthcare. Oversight and support of a designated POC by the various Uniformed Services Branches is critical to assure the continued success of the POC program.

Note: For POCs at TRICARE Global Remote Overseas (TGRO) locations in Europe, Africa, and the Middle East, all care must be coordinated through International SOS (ISOS). For a listing of remote sites and local access numbers, please see:

<http://www.europe.tricare.osd.mil/>

and search on "Remote Site Health Care" or call ISOS directly at 44-20-8762-8133 (collect).

BACKGROUND

Military family members in foreign countries have had trouble getting medical and dental care from host nation providers for the following reasons:

- Delays in beneficiary/provider filing of TOP claims;
- Delays in host nation mail service;
- Delays in host nation provider payment by the beneficiary, upon receipt of TOP payment.

To reduce these delays, TRICARE Management Activity (TMA) established a dedicated foreign claims processing department to handle TOP and TDP claims. Each specialized foreign claims processing department has a dedicated staff to process only TOP or TDP claims, dedicated data fax capabilities, and a dedicated post office box for the receipt of TOP or TDP claims and correspondence. TOP/TDP dedicated foreign claims processing departments also have electronic mail capability for receiving TDP correspondence.

Although the volume of TOP and TDP claims is small, the claims receive priority processing. The special handling provided by the dedicated TOP and TDP foreign claims processing departments, combined with the valuable liaison service provided by local designated POCs results in the retention of quality host nation providers to treat the Department's beneficiary population while on overseas assignment.

WHO MAY QUALIFY TO BE A POINT OF CONTACT?

A designated Point of Contact (POC), must be either:

- An Active Duty military member; or
- A civilian employee working for, and under the oversight of, the military/U.S. Government who will be remaining at the same location for a least 12 months.

FIGURE 12-12.2-11 TOP AND TDP POINT OF CONTACT PROGRAM BOOKLET (CONTINUED)**POC DESIGNATION**

POC designation is usually limited to one Primary POC and one or two alternate POCs. Additional alternate POC's maybe designated when justified by the Commanding Officer upon requesting designation.

Requests for POC designation must be in writing, signed by the POC's Commanding Officer of a foreign base or location, Defense Attache Office (DAO), and Security Assistant Organizations, and must be faxed to (303) 676-3935 (for TMA COR(s) located in Aurora) or (703) 681-1219 (for TMA COR(s) located in Falls Church) or mailed to the appropriate TMA COR. The request must include the POC's complete mailing addresses, telephone, and fax numbers, and e-mail address when available, name of the POC, name(s) of the alternate POC(s), justification of the additional alternate POC's, and indication whether the change is new, replacing existing designated POC's or adding POC designation.

TMA POC designation is "purple suited" and not Uniformed Service specific, nor is designation limited to a specific category of TRICARE benefit (i.e., medical, drug, maternity) or for a specific category of TOP beneficiary (ADSM, ADFM, retiree, etc.).

Upon approval, TMA will notify the requestor, the contractors, Overseas TAO Director, via e-mail and/or fax.

DUTIES OF THE POINTS OF CONTACT

Designated POCs must:

- Assist all Uniformed Services TRICARE beneficiaries, and active duty members, regardless of Service affiliation, and host nation providers with completion of and filing TOP and TDP claims with the appropriate claims processor.
- Provide ongoing education to beneficiaries/provider on the TRICARE program benefits and correct claims filing.
 - A. NOT submit claims for care not yet received.
 - B. New claims should NOT be faxed on the contractor's inquiry fax number.
- Develop procedures for the coordination, control and tracking of either faxed or mailed claims from within their areas of responsibility to the appropriate claims processing contractors. This process must include the receipt of and distribution of foreign drafts/U.S. dollar checks/explanation of benefits (EOB) received from the contractors as payment for services rendered by host nation providers.
- Establish and maintain a file for the original claim and all related correspondence faxed to the contractor.
- Provide their **commercial**, not DSN or AUTOVON, telephone, and fax numbers address, including e-mail address, if available, on the TOP claim inquiries fax cover sheet with each fax claim submission. Fax numbers must be available 24 hours.
- Notify **the appropriate TMA COR** immediately when POC, POC address, commercial phone and fax number change via fax or e-mail.

FIGURE 12-12.2-11 TOP AND TDP POINT OF CONTACT PROGRAM BOOKLET (CONTINUED)

- Ensure that Faxed claims are correctly completed, signed, by the patient, or by the parent in the case of a minor, or that the beneficiary signature is on file. Attach a copy of the front and back of the family member ID card when the family member is not enrolled in DEERS unless the family member is a newborn, in which case the claims will be processed normally without an enrollment or ID card requirement. All Philippines claims must be signed by the beneficiary/provider. POCs may not use signature on file for Philippines claims.

NOTE: For active duty member claims, if the active duty member signature is not present on the claim form, the military command must submit a letter of explanation along with the claim prior to the contractor payment.

NOTE: For TDP dental claims, a properly completed "Non-Availability and Referral Form" must accompany the dental claim form, except for non-orthodontic services performed in remote locations. The form must be issued by the enrolled family member's servicing overseas dental treatment facility (ODTF), or the appropriate Overseas TAO Director, or their designee, depending on where the family member lives and the dental services that are performed. The POC *may not* complete this form. The TDP contractor has published a reference guide to assist ODTFs, Overseas TAO Directors and POCs in the management of TDP dental claims. This "Authorization and Referral Manual" documents the proper procedures for the issuance of TDP authorizations, referrals and claims payment processes. This manual takes precedence over any potential conflicting instructions in this publication.

- Attach copies of all related itemized bills (not receipts) with the claim.
- Ensure claims for *adjunctive dental care* are sent to the appropriate TRICARE contractor responsible for processing medical claims and not the TDP contractor.
- Provide the specialized foreign claims processors any additional information that may be required by the contractor(s) to finalize the processing of a claim via fax/email, within 10 calendar days of receipt of the request.
- Shall, when submitting a contractor claims inquiry, refer to the claim number of the claim in question and provide a copy of the TRICARE Explanation of Benefit (TEOB) with the inquiry and/or a copy of the contractor letter that requests additional information. POC's may fax or e-mail inquiries to the claims processing contractor. Each fax inquiry should be accompanied by a completed TOP Inquiry Form that clearly identifies the number of pages in the fax, who to contact about the inquiry, the fax number and phone number.
- Shall allow the overseas claims processing or TDP contractor 21 days to respond to a fax inquiry before requesting claim/fax inquiry status. If after 30 days, the POC is not able to resolve the issue with the claims processing contractor, the POC shall contact the appropriate TOP Overseas TAO Director.
- Shall allow the overseas claims processing or TDP contractor for new claims, 30 days to process/pay and mail the claims back to POC. If the POC has not received a claim payment/denial notice from the contractor within 30 days, the POC should follow the inquiry process outlined in this section.

FIGURE 12-12.2-11 TOP AND TDP POINT OF CONTACT PROGRAM BOOKLET (CONTINUED)

- Use priority pouch mail for receipt of foreign drafts/U.S. dollar checks/EOBs from the TRICARE contractors.
- Distribute foreign drafts/U.S. dollar checks/EOBs to appropriate sponsors/beneficiaries or host nation providers immediately upon receipt.
- Report unresolved claims problems or issues between the TRICARE contractor and the POC concerning policies or program requirements for:
 - TOP issues first to the appropriate Overseas TAO Director for resolution. If the contractor and the Overseas TAO Director are unable to resolve the issues, the TOP issue should be referred to the appropriate TMA COR.
 - TDP issues to the TRICARE Management Activity, Chief, Special Contract Operations Office, 16401 East Centretch Parkway, Aurora, CO 80011.
- Educate local beneficiaries and host nation providers on the correct procedures for filing their claims.
- Stress the importance of filing claims within 30 days following receipt of TOP or TDP since timely filing ensures prompt payment of care received.
- Submit request for overseas enrollment directly to the appropriate overseas TAO Directors office for assistance.

DUTIES OF THE MANAGED CARE CONTRACTORS

The TOP and TDP dedicated claims processing departments must:

- Assist the TOP and TDP POCs, Uniformed Services, TRICARE beneficiaries, active duty members where appropriate, and host nation providers with information on the completion of and filing of claims with the appropriate claims processor.
- Develop internal procedures for the coordination, control and tracking of faxed or mailed claims from receipt to final processing. This includes, but is not limited to, storage/maintenance of the claim and all related correspondence, microfilming/imaging of claims upon receipt, the issuance of foreign drafts/U.S. dollar checks/EOBs, and development procedures for missing information needed to process the claim to completion.
- Provide a dedicated P.O. box for the receipt of TOP and TDP claims.
- Provide a dedicated fax number for the receipt of POC claims.
- Accept only faxed claims/inquires/information faxed by an officially designated POC or an alternate POC. Electronic mail may also be used for TOP/TDP inquiries/information.
- Verify beneficiary eligibility for TOP or TDP benefits.
 - For TOP claims, a copy of the front and back of the dependent ID card must be sent in with the TOP claim and may be used as eligibility verification by the managed care contractor when the family member is not enrolled in DEERS.

FIGURE 12-12.2-11 TOP AND TDP POINT OF CONTACT PROGRAM BOOKLET (CONTINUED)

- For TDP claims, the family member must first be enrolled in DEERS and the TDP, and the sponsor must pay the appropriate premium, before services can be rendered and his/her claims processed. The sponsor should verify on his/her Leave and Earnings Statement (LES) that the correct payroll deduction has been taken. The sponsor is also advised to contact the TDP contractor before receiving services to ensure that the proper enrollment information has been received and to confirm the actual coverage date.
- Review claims to ensure the beneficiary/provider has provided complete and accurate information prior to submitting claims for processing/payment.
- Process TOP claims using guidelines in this chapter.
- Process TDP claims per contract requirements and the guidelines outlined in the "Authorization and Referral Manual".
- Be able to translate claims submitted in a foreign language.
- Pay claims using the exchange rate in effect on the last date of service listed on the claim.
- Make payment as follows:
 - For TOP Claims:
 - Issue foreign currency drafts for TOP claims. Drafts may not be changed to a U.S. dollar check after the managed care contractor has issued a foreign draft.
 - For TDP Claims:
 - Issue foreign currency drafts for TDP claims submitted by providers via POCs.
 - Issue U.S. dollar checks for TDP claims submitted by a sponsor/family member, via POCs. Payment may not be changed to local currency after the U.S. dollar check has been issued.
 - For TOP and TDP Claims:
 - Issue foreign currency drafts for both TOP and TDP claims when the sponsor/family member requests payment in local foreign currency only at the time the claim is submitted.

NOTE: Foreign drafts are good for 190 days and may be cashed at any time. U.S. dollar checks are good for a limited period of time and must be reissued by the TRICARE contractors upon expiration of the check before the check can be cashed.
- Use priority pouch mail for the mailing of foreign drafts/U.S. dollar checks/EOBs to appropriate sponsors/beneficiaries and/or host nation providers for claims submitted via POCs. The priority pouch mail must be sent using the fastest means available to the POC's location.
- Report unresolved claims problems or issues between the Overseas TAO Director and the managed care contractor concerning policies or program requirements for:
 - TOP issues to the **appropriate TMA COR.**

FIGURE 12-12.2-11 TOP AND TDP POINT OF CONTACT PROGRAM BOOKLET (CONTINUED)

- TDP issues to the TMA, Chief, Special Contract Operations Office, 16401 East Centretech Parkway, Aurora, CO 80011.

HELPFUL HINTS

- Make sure the TOP and TDP claim form is completed and signed by the patient or by the parent (or responsible party) in the case of a minor.
- Do not send TOP or TDP claims provided to two different beneficiaries by the same provider on the same claim form. Each beneficiary should file claims on a separate form.
- Remember the TOP claims department processes only healthcare and adjunctive dental claims for services provided in foreign countries and TOP Prime/Standard healthcare provided in the U.S.
- Remember the TDP claims department processes all TDP claims for enrolled family members, regardless of where the service was performed.
- Remember to remind beneficiaries and providers that the TOP and TDP programs do not share the cost of all types of healthcare or dental care. Therefore, TRICARE payment for every service received can't be guaranteed.
- Remember to use the beneficiary's claim number listed on the EOB when making specific claims inquiries to the TOP and TDP contractors.
- Remember to state on the claim form who payment should be made to: Beneficiary or Provider.

NOTE: Do not send a new claim when the first claim has been denied or was processed incorrectly. Contact the appropriate TRICARE contractor for assistance.

SUMMARY

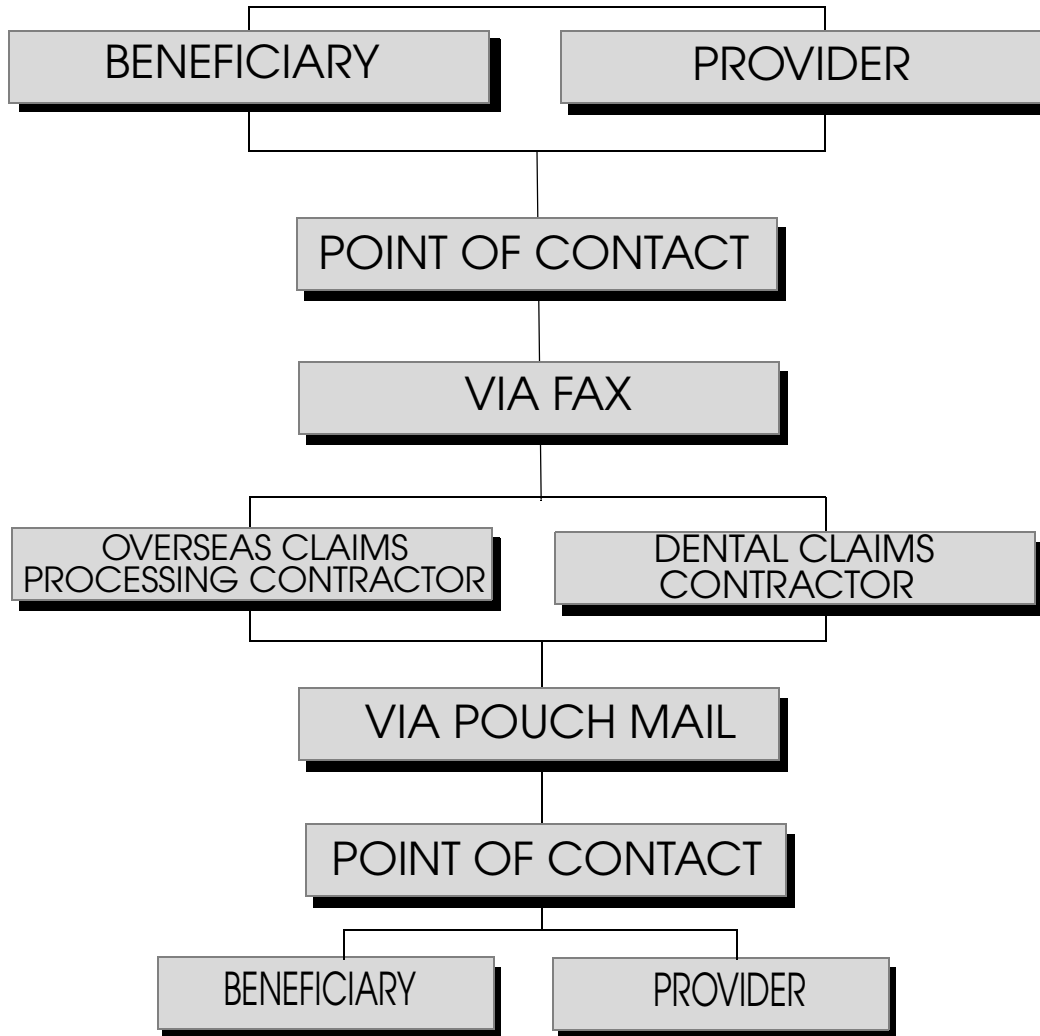

The TRICARE contractors' foreign healthcare and dental claims processing departments can only be effective if the Services designate POCs and the designated POCs understand the TOP and TDP programs and the claims processing requirements. The POC must also communicate with the TRICARE contractors' foreign healthcare and dental claims departments on a regular basis.

Although the POC program is not required for all locations and situations, the use of the POC concept does improve the situation for accessing and ensuring prompt payment to host nation providers in countries that take full advantage of the system.

The attached flowchart summarizes the recommended foreign claims submission process.

HOW TO FILL OUT THE CHAMPUS FORM			
<i>You must attach an itemized bill (see front of form) from your doctor/supplier for CHAMPUS to process this claim.</i>			
1. Enter patient's last name, first name and middle initial as it appears on the military ID card. Do not use nicknames.		11. By law, you must report if the patient is covered by any other health insurance to include health coverage available through other family members. If the patient has supplemental CHAMPUS insurance, do not report. You must, however, report Medicare supplemental coverage. Block 11 allows space to report two insurance coverages. If there are additional insurances, report the information as required by Block 11 on a separate sheet of paper and attach to the claim.	
2. Enter the patient's daytime telephone number and evening telephone number to include the area code.		NOTE: All other health insurances except Medicaid and CHAMPUS Supplemental plans must pay before CHAMPUS will pay. With the exception of Medicaid and CHAMPUS supplemental plans, you must first submit the claim to the other health insurer and after that insurance has determined their payment, attach the other insurance Explanation of Benefits (EOB) or work sheet to the CHAMPUS claim. The CHAMPUS claims processor cannot process claims until you provide the other health insurance information.	
3. Enter the complete address of the patient's place of residence at the time of service (street number, street name, apartment number, city, state, ZIP Code). Do not use a Post Office Box Number except for Rural Routes and numbers. Do not use an APO/FPO address unless the patient was actually residing overseas when care was provided.		12. The patient or other authorized person must sign the claim. If the patient is under 18 years old, either parent may sign unless the services are confidential and then the patient should sign the claim. If the patient is 18 years or older, but cannot sign the claim, the person who signs must be either the legal guardian, or in the absence of a legal guardian, a spouse or parent of the patient. If other than the patient, the signer should print or type his/her name in Block 12a and sign the claim. Attach a statement to the claim giving the signer's full name and address, relationship to the patient and the reason the patient is unable to sign. Include documentation of the signer's appointment as legal guardian, or provide your statement that no legal guardian has been appointed. If a power of attorney has been issued, provide a copy.	
4. Check the box to indicate patient's relationship to sponsor. If "Other" is checked, indicate how related to the sponsor; e.g., former spouse.			
5. Enter patient's date of birth (month/day/year).			
6. Check the box for either male or female (patient).			
7. Check box to indicate if patient's condition is accident related, work related or both. If accident or work related, the patient is required to complete DD Form 2527, "Statement of Personal Injury Possible Third Party Liability CHAMPUS." The form may be obtained from the claims processor, Health Benefits Advisor or TRICARE Management Activity.			
8a. Describe patient's condition for which treatment was provided, e.g., broken arm, appendicitis, eye infection. If patient's condition is the result of an injury, report how it happened, e.g., fell on stairs at work, car accident.			
8b. Check the box to indicate where the care was given.

FIGURE 12-12.2-11 TOP AND TDP POINT OF CONTACT PROGRAM BOOKLET (CONTINUED)**TDP CLAIM FORM**

There are numerous claim forms used to process dental claims. To expedite processing, the Government will utilize the existing stateside U.S. (CONUS) TDP claim form. The following suggestions for filling out the dental claim form will help to minimize problems and reduce delays in claims processing by the managed care contractor. A copy of the dental claim form and a sample of a completed form are also provided.

FILLING OUT A TDP DENTAL CLAIM FORM

Most of the blocks on the dental claim form are self-explanatory (see completed example below). But, there are certain blocks to which special attention should be paid as noted below:

Block above Block 1--If the provider or sponsor/family member wishes to obtain a pre-treatment estimate (or predetermination) of the services they would like performed, they should check the box marked "Dentist's pre-treatment estimate". When a pre-treatment estimate is checked, no dates of service should be listed in Block 27, Examination and Treatment Plan. If the provider or sponsor/family member wishes to submit a claim for the actual services rendered, they should check the box above block 1 marked "Dentist's statement of actual services".

Upper left corner ("Attending Dentist's Statement"): Check the appropriate box to indicate if your claim is for predetermination (estimate of services to be performed) or for services actually received.

Block 1--Only one patient per claim form. But you may attach more than one bill for the same patient. Be sure to use the name as it appears on the patient's ID card--or, for young children, as entered in DEERS.

Block 4--Be sure to enter the patient's birth date here.

Block 5--Indicate if family member is a full time student and, if so, where.

Block 6--The sponsor's nine-digit Social Security Number (SSN) **must** appear on every family member's claim form.

Block 7--Be sure the **Uniformed Services sponsor's** Social Security number is entered.

Block 8--Enter the complete home address of the family member seeking treatment. Indicate APO/FPO or street, city, country and appropriate postal mailing code.

- Be sure to provide the current and complete mailing address to include APO/FPO and/or street, city, country and postal mailing code.

Block 9--Put the sponsor/family member's complete daytime and evening phone numbers in this block so that these parties can be contacted if there is a problem with the claim. Include country and city codes as appropriate.

- Enter the patient's daytime and evening telephone number including applicable city and country codes.

FIGURE 12-12.2-11 TOP AND TDP POINT OF CONTACT PROGRAM BOOKLET (CONTINUED)

Signature block immediately under Block 9--This block must be signed and dated by the patient (18 years of age or older) or the parent/guardian if the patient is a minor. Be sure to read the instructions in the TDP Dental Benefit Booklet if someone other than the patient is signing on behalf of the patient.

- Must be signed by the patient, parent or guardian. If the family member is under 18 years old, the parent or guardian must sign the form.

Block 12--If the sponsor/family member has any other dental insurance at all, such as a spouse's plan through an employer, check "yes". Give the name and address of the other dental insurance carrier, the insured's social security number, and the other insurance carrier's group number in the space provided. If the sponsor/family member has no other dental plan besides the TDP, check the "no" box.

- Check "No" if the family member has no other dental insurance. If the family member has additional dental insurance, please check "Yes" and include the plan name, SSN, group number, and address of the other carrier.

Signature block immediately under Block 12--This block must be signed and dated by the patient (18 years of age or older) or the parent/guardian if the patient is a minor, if either party wants the provider to receive payment directly ("assignment"). Be sure to read the instructions in the TDP Dental Benefit Booklet if someone other than the patient is signing on behalf of the patient.

- Sign if the family member, parent, or guardian wants to assign payment of benefits to the dentist. This means that the TDP contractor will send payment directly to the dentist.

Block 13--This should be the provider's complete name.

Block 14--This should be the provider's complete mailing address, to include street, city, country and appropriate postal mailing code.

- Enter the dentist's complete mailing address to include street, city, country and postal mailing code.

Block 15--This should be the provider's complete commercial phone number, to include country and city codes.

- Provide the dentist's telephone number including all applicable city and country codes.

Block 16--Provide the dentist's Managed care contractor identification number, if known.

Blocks 17, 18 & 19--Complete based on information available from the provider, beneficiary and/or other information on itemized provider bill.

Blocks 20, 21 and 22--If the problem for which the family member went to the provider is work related or accident related (i.e., occupational illness/injury, auto accident, other injury), check the corresponding "yes" in Blocks 20, 21 or 22. If "yes", please provide a brief description and the date(s) of the incident. The managed care contractor will follow up with some questions to make sure that worker's compensation or other insurance helps pay the bills.

FIGURE 12-12.2-11 TOP AND TDP POINT OF CONTACT PROGRAM BOOKLET (CONTINUED)

Blocks 24 and 25--Answer only if the service is for a prosthetic device. Check with the provider for this information.

Block 26--Indicate "yes" if treatment is for orthodontics. If "yes", insert the date the orthodontic appliance was inserted and the expected length of the overall orthodontic treatment plan. Check with the sponsor/family member or provider for this information.

Block 27--From the provider's itemized bill or other available information, provide as much detail to indicate the service(s) that was ordered, performed or prescribed, the specific tooth/teeth treated, and the date(s) of service. Match services with specific tooth numbers to the greatest extent possible. For each service listed, provide the condition for which the patient received treatment and/or the procedure that was performed (attach additional pages as necessary), and the provider's fee that is being charged for each service.

- Provide a detailed description of the services performed including applicable tooth number(s), the date of service, and the fee charged. If services and fees are listed on the dentist's bill, attach the bill to this claim form. In this case, you do not need to duplicate the information in this section.

Signature block immediately under Block 27--This block must be signed and dated by the provider.

- Bottom left corner--The dentist must sign and date here **if** this claim form is used solely as the dentist's bill. If a bill is submitted with the claim form, and the bill clearly identifies the dentist, the dentist's signature is not required.

NOTE: A "Non-Availability and Referral Form" must accompany the claim form and provider's itemized bill for all dental care from non-remote countries and for orthodontic care from remote countries (see the Overseas TDP Authorization and Referral Manual for further information). This form is issued by the family member's servicing ODTF or the appropriate Overseas TAO Director or designee, depending on where the family member lives and the services that are performed.

FIGURE 12-12.2-11 TOP AND TDP POINT OF CONTACT PROGRAM BOOKLET (CONTINUED)

ATTESTATION

I _____ certify that I personally provided the services listed on the attached TRICARE claim I signed and dated

_____ **(Date Signed)** to _____ **(Patient's Name)**, a TRICARE Beneficiary. I further certify that the amount billed for these services is the amount I routinely charge the general public, Governmental, and other health plans and health insurers for these services.

I understand that TRICARE beneficiaries are required, by law, to pay their cost-share and deductible and that I will collect the required cost-share and deductible from the beneficiary listed on the claim or another individual or entity on behalf of the beneficiary. I further understand that by accepting the TRICARE payment, I am accepting the TRICARE determined allowable charge plus the beneficiary's cost-share and deductible as payment in full and that I will not bill or collect any amounts in excess of the TRICARE allowable charge. This does not prohibit me from billing for any non-covered services.
