(c) Waiver of Nonemergency Health Care Restriction.—Under the specialized treatment facility program, the Secretary may waive, with regard to the provision of a particular service, the 40-mile radius restriction set forth in section 1079(a)(6) of this title if the Secretary determines that the use of a different geographical area restriction will result in a more cost-effective provision of the service.

(d) Civilian Facility Service Area.—For purposes of the specialized treatment facility program, the service area of a civilian health care facility designated pursuant to subsection (b) shall be comparable in size to the service areas of facilities of the uniformed services.

(e) Issuance of Nonavailability of Health Care Statements.—A covered beneficiary who resides within the service area of a specialized treatment facility designated under the specialized treatment facility program may be required to obtain a nonavailability of health care statement in the case of a specialized service offered by the facility in order for the covered beneficiary to receive the service outside of the program.

(f) Payment of Costs Related to Care in Specialized Treatment Facilities.—(1) Subject to paragraph (2), in connection with the treatment of a covered beneficiary under the specialized treatment facility program, the Secretary may provide the following benefits:

(A) Full or partial reimbursement of a member of the uniformed services for the reasonable expenses incurred by the member in transporting a covered beneficiary to or from a health care facility of the uniformed services or a civilian health care facility at which specialized health care services are provided pursuant to this chapter.

(B) Full or partial reimbursement of a person (including a member of the uniformed services) for the reasonable expenses of transportation, temporary lodging, and meals (not to exceed a per diem rate determined in accordance with implementing regulations) incurred by such person in accompanying a covered beneficiary as a non-medical attendant to a health care facility referred to in subparagraph (A).

(C) In-kind transportation, lodging, or meals instead of reimbursements under subparagraph (A) or (B) for transportation, lodging, or meals, respectively.
