

## Record Series Subject And Description Of Government Records

Revision:

---

### 1.0 GENERAL

**1.1** The following Defense Health Agency (DHA) records shall be maintained by all contractors regardless of media. If this section does not contain a description of a record created by the contractor for the Government, contact the DHA Records Management (RM) Officer for instructions. Follow the guidance in the sections below for indexing and record series number requirements. For additional guidance, follow the DHA Records Retention Schedule (RRS) for record series numbers and disposition instructions. Contact the DHA RM Office to obtain a current copy of the DHA RRS.

**1.2** If DHA contractors cannot identify a specific series number from the DHA RRS to apply to a particular type of record, consult the National Archives and Records Administration (NARA) General Records Schedule (GRS) available on NARA's web site.

**1.3** Upon request from DHA RM, the contractor shall deliver to DHA RM information that shows by series numbers:

- What meaningful metadata and unique identifiers it uses to efficiently retrieve electronic records or record objects.
- In the event of a transition, what meaningful metadata and unique identifiers will it pass on to the incoming contractor that will allow them to efficiently retrieve electronic records or record objects.
- In case of a transfer to DHA RM, what meaningful metadata and unique identifiers will it pass on to DHA RM that will allow them to efficiently retrieve electronic records or record objects.

Refer to [Section 1, paragraph 3.2.2.3](#) for further guidance.

**1.4** For guidance on indexing paper records see [Addendum A, paragraph 2.4](#).

### 1.5 General Records Schedule (GRS)

The following record series are a sampling of record content typically managed by DHA contractors. If the following list does not contain a description of record content the contractor is managing refer to the DHA RRS for the complete list.
