

Radiologic Guidance

Issue Date: January 1, 2007

Authority: 21 CFR 199.4(b)(c), (e)(14), and [32 CFR 199.6\(a\)\(2\)](#)

1.0 CPT¹ PROCEDURE CODES

Fluoroscopic Guidance: 77001 - 77003

Computed Tomography Guidance: 77011 - 77014

Magnetic Resonance Guidance: 77021 and 77022

Radiologic Other: 77031 and 77032

2.0 DESCRIPTION

2.1 Use of a fluoroscopy to examine deep structures by means of x-ray; it consists of a fluorescent screen covered with crystals of calcium tungstate on which are projected the shadows of x-rays passing through the body placed between the screen and the source of radiation.

2.2 Fluoroscopic guidance (CPT¹ procedure code 77001) for central venous placement, replacement or removal may be considered for cost-sharing. Fluoroscopic guidance (CPT¹ procedure code 77002) for needle placement (e.g., biopsy, aspiration, injection, localization device) may be considered for cost-sharing. Fluoroscopic guidance (CPT¹ procedure code 77003) and localization of needle or catheter tip for spine or paraspinal diagnostic or therapeutic injection procedures may be considered for cost-sharing.

2.3 Computed tomography guidance (CPT¹ procedure code 77011) for stereotactic localization, for guidance of needle placement (CPT¹ procedure code 77012); for guidance and monitoring of parenchymal tissue ablation (CPT¹ procedure code 77013); for guidance for placement of radiation therapy field (CPT¹ procedure code 77014) may be considered for cost-sharing.

2.4 Magnetic resonance guidance for needle placement (CPT¹ procedure code 77021); for guidance and monitoring of parenchymal tissue ablation (CPT¹ procedure code 77022) may be considered for cost-sharing.

2.5 Stereotactic localization guidance for breast biopsy or needle placement (CPT¹ procedure code 77031) may be considered for cost-sharing.

TRICARE Policy Manual 6010.57-M, February 1, 2008

Chapter 5, Section 2.2

Radiologic Guidance

2.6 Mammographic guidance for needle placement for wire localization or for injection, breast may be considered for cost-sharing (CPT² procedure code 77032).
