

Letter To Skilled Nursing Facility (SNF) Regarding Participation Agreement For Services Prior To October 1, 2019

Revision: C-44, December 13, 2019

Date _____

Administrator
SNF Name
Address

Effective October 1, 2001, TRICARE (formerly known as CHAMPUS) became a secondary payer to Medicare for approximately 1.5 million Medicare-eligible Department of Defense (DoD) health care beneficiaries. On December 28, 2001, President Bush signed the National Defense Authorization Act of Fiscal Year 2002 (NDAA FY 2002) (Public Law 107-107). This legislation provided three important provisions for SNF providers:

- First, with one exception, the legislation revised the TRICARE SNF benefit so that it is identical to the Medicare SNF benefit. Like Medicare, the TRICARE SNF benefit now requires a qualifying three-day prior hospitalization. The skilled services must meet the Medicare coverage rules and be for a medical condition that was either treated during the qualifying three-day hospital stay, or started while the beneficiary was already receiving Medicare-covered SNF care. The one exception is that, unlike Medicare, the TRICARE benefit for a spell of illness will be unlimited. After 100 days of the Medicare benefit, TRICARE will become the primary payer if the beneficiary does not have other health insurance.
- Second, the legislation required that the TRICARE program adopt the Medicare SNF Prospective Payment System (PPS) payment methods and rates, including Minimum Data Set (MDS) assessments, Resource Utilization Group (RUG)-III classifications, and Medicare weights and per diem rates. Both of these provisions took effect for SNF admissions on or after August 1, 2003. Children under age 10 on the date of SNF admission are not subject to MDS assessments and SNF PPS. Critical Access Hospital (CAH) swing beds are not subject to MDS assessments and SNF PPS. Unless required by their Memorandum of Understanding (MOU) or the Provider Agreement, Department of Veterans Affairs (DVA)/Veterans Health Administration (VHA) facilities are not subject to MDS assessments and SNF PPS. Facilities in Puerto Rico, Guam, the U.S. Virgin Islands, and American Samoa are subject to MDS assessments and SNF PPS.
- Third, the legislation required that SNF providers enter into a Participation Agreement with TRICARE if they wish to be considered to be an authorized TRICARE provider. This agreement will require that TRICARE-participating SNFs are not charge a beneficiary any

amount above the TRICARE allowed amount. Beneficiaries are financially responsible only for co-insurance amounts and services not covered by TRICARE. SNFs are required to use the same certification forms for TRICARE beneficiaries as they are required to use for Medicare beneficiaries. SNFs will be in violation of their TRICARE participation agreements if they discriminate against the TRICARE beneficiary in their admission practices or in delivery of medically necessary services due to the level of payment. Accordingly, attached with this cover letter is a TRICARE SNF Participation Agreement for your signature. Please sign and return this agreement within 15 calendar days from the date of this letter to facilitate prompt claims processing. All SNFs must sign and return this agreement if they wish to have TRICARE pay for the care of TRICARE beneficiaries. Claims for non-authorized SNFs will be denied.

There are four other changes for TRICARE SNF providers. First, SNFs must use 21X bill type and Revenue Code 022 on all TRICARE SNF PPS claims. Second, a Health Insurance Prospective Payment System (HIPPS) code must also be put on the PPS claim. This is a five digit code. The first three digits are an alpha/numeric code identifying the RUG III classification. The last two digits are the indicators of the reason for the MDS assessment. Up to 100 days, SNFs will use the same HIPPS codes for TRICARE patients as used under Medicare. After the 100th SNF day, for TRICARE patients, SNFs will use an appropriate three digit RUG-III code with a TRICARE-specific two digit modifier that makes up the HIPPS code. The TRICARE-specific two digit modifiers are as follows:

120-day assessment	8A
150-day assessment	8B
180-day assessment	8C
210-day assessment	8D
240-day assessment	8E
270-day assessment	8F
300-day assessment	8G
330-day assessment	8H
360-day assessment	8I
Post 360-day assessments with 30-day interval	8X

Third, under SNF PPS, all SNF claims (21X bill type) must contain a line item listing (by revenue code) of all services rendered to the SNF inpatient resident during the dates of service on the claim. As under Medicare, SNFs are responsible for making payment to those contractors who have provided services to their TRICARE beneficiaries. The SNF must pay for any service provided to a TRICARE beneficiary by an outside supplier unless that service is excluded from consolidated billing by statute.

Fourth, under SNF PPS, SNFs will continue to be responsible for performing the resident assessment every 30 days after the 90th day using the MDS assessment form, for determining the medical necessity of services, for contracting with outside suppliers, for managing Certificates of Medical Necessity (CMN) from suppliers, and for making appropriate payment to contractors for services rendered to SNF patients. The 'Significant Change in Status Assessments' or 'Significant Correction of Prior Assessments' as applied under Medicare will also apply to these assessments under TRICARE. The SNFs shall use the default HIPPS rate code on the claim in case of an off-schedule or late TRICARE. The SNFs shall use the default HIPPS rate code on the claim in case of an off-schedule or late patient assessment. SNFs will provide notices to TRICARE beneficiaries in the same manner as they provide under Medicare.

The SNF benefit and PPS provisions will also apply to those TRICARE beneficiaries who are not Medicare-eligible.

SKILLED NURSING FACILITY (SNF) PARTICIPATION AGREEMENT

Agreement Between TRICARE

And

_____ **(Provider)**

doing Business as (DBA) _____

TRICARE Provider ID/Number _____

Medicare Provider No. _____

(To be completed by TRICARE Contractor)

(To be completed by SNF)

In order to receive payment under 32 Code of Federal Regulations (CFR) Part 199, _____
_____ DBA _____ as
the Provider of skilled nursing services, agrees to conform to the provisions of 32 CFR 199 and applicable provisions in TRICARE
Manuals and applicable Medicare provisions in 42 CFR.

This Agreement, upon submission by the Provider of skilled nursing services of acceptable assurance of compliance with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 as amended, and upon acceptance by TRICARE, shall be binding on the Provider of skilled nursing services and TRICARE.

The Provider of skilled nursing services certifies that:

- a.** The Provider is licensed by the State having jurisdiction for the Provider's area.
- b.** The Provider is Medicare certified and will continue to maintain Medicare certification. If at any time the provider is decertified by Medicare, the provider agrees to notify the TRICARE contractor within 72 hours. Loss of Medicare certification will nullify this agreement.
- c.** The Provider will not discriminate against the TRICARE beneficiary in their admission practices or in delivery of medically necessary services due to the level of payment.
- d.** The Provider will use the same certification forms for TRICARE patients as are used and required for Medicare patients. The Provider will provide notices to TRICARE beneficiaries in the same manner as they provide under Medicare.
- e.** The Provider will participate on all TRICARE claims for admissions under SNF prospective payment system (PPS), and will accept TRICARE payment as the full payment and not balance bill the TRICARE beneficiaries. The Provider will collect the applicable cost-share amounts from the TRICARE beneficiaries.

In the event of a transfer of ownership, this Agreement is automatically assigned to the new owner subject to the conditions specified in this Agreement and 42 CFR 489, to include existing plans of correction and the duration of this Agreement, if the Agreement is time limited.
